

NO HAIR WE CARE

A care package service for people with a form of Alopecia Areata.

WHAT ARE NHC PACKS?

No Hair We Care Packages contain items of support for people who have lost their hair through Alopecia Areata.

People with Alopecia Areata often feel isolated, and many struggle with mental health. These care packages provide comfort, connection, and information during a difficult time.

With your help, we aim to support 300 families a year with the NHC packs.

Can your business support care packages for people with hair loss?

No Hair We Care Packages are made possible by the support and generous donations of businesses who care about people with Alopecia Areata. We need your help to put a smile on the faces of families impacted by alopecia.

You can donate funds or items to be included in the packs. Headwear, skincare, jewellery, games, makeup, and more can all be donated. No donation is too small to help.

Businesses who support the NHC program receive many benefits.

- Social media thanks and acknowledgement
- Promotional material in the NHC packs
- Inclusion in AAAF's newsletter, RAISE
- Knowing you've brought a smile to someone in need
