

# The Boldest Bald Morning Tea

AAAF is excited to announce our Alopecia Areata Awareness Week event –AAAF Boldest Tea (BBT) on Wednesday 17th November 2021.

Host a morning tea at your workplace, school or community group to raise funds for Alopecia Areata. This can be a fantastic way to support a friend or loved one with alopecia, or to raise awareness of this condition. While we host our “official” Boldest Bald Brunch during Awareness Week, businesses and organisations are able to get involved all year round.

1. Planning your tea – choose a venue, date and type of ‘tea’ you wish to hold.
2. Tell everyone about it –add the flyers to notice boards, place on office desks or communal areas; advertise your tea on social media.
3. Hosting your tea – take pictures or write a little blurb to send into AAAF
4. Collecting donations - make it easy for people to donate on the day by providing collection bowls or jars.
5. Bank your funds.
